**INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

June 13, 2005

Sir:

In the matter of the above-identified application, applicants, through their undersigned representative, are submitting herewith copies of the cover sheets of three (3) U.S. Patent Application publications, a complete copy of a Published European application, three (3) WIPO PCT Publications only one [1] of which is being submitted as a completed copy (the other two WIPO publications are being submitted with copies of only the front pages thereof along with Search Reports directed thereto since corresponding English language counterparts thereof are included amongst the copies submitted) and a copy of an IEEE Publication. A listing of the same is also being submitted in form PTO-SB/08/A as an attachment hereto.

In order to update the record and in keeping with the duty of disclosure/candor requirements, the accompanying listings also include three (3) U. S. Patents which were recently cited by the Examiner with regard to the prior, parent application Serial No. 10/440,469 for which benefit has been claimed with regard to 35 USC §120 in the present, above-identified application which was filed as a divisional application thereof. Although the submission of copies thereof are not required noting that they are available from the file wrapper of the parent application (also, copies of U.S. patents are no longer required according to recent Rule changes), copies of the front

sheets of the three respective U.S. patents are being submitted herewith, however, as a courtesy to the Examiner.

This Information Disclosure Statement is being submitted prior to the mailing of either a Final Office Action on the merits or an official Notice of Allowance and, accordingly, is in compliance with 37 CFR §1.97(c). An authorized Credit Card Payment Form covering the fee amount of \$180.00, set forth in 37 CFR §1.17(p) in accordance with the requirement pursuant to 37 CFR §1.97(c)(2), is enclosed herewith.

As to the requirement of 37 CFR §1.98(a)(3) for a concise explanation of relevance to the extent that the any of the listed documents is not in the English language, this is met by: the submission of a corresponding International Search Report along with a corresponding English language patent document directed thereto. Namely, listed U.S. Patent Application publication US2004/0232471 A1 corresponds to listed Patent Document WO 03/028112 A1, and Patent Document EP 1416540 A1 (which is in the English language) corresponds to listed Patent Document WO 03/012878 A1. (It is noted, however, listed patent document WO 03/028112 A1 (corresponding to listed U.S. Patent Application publication US 2004/0232471 A1) has an international publication date later than the foreign priority date of the present application. Regarding patent document WO 03/012878 A1 (corresponding to U.S. Application Serial No. 10/484,578, filed January 23, 2004, and corresponding to listed Patent EP 1416540 A1), as well as that of Patent document WO 03/021666 A1, both of which are included in the listings, the international publication dates are, likewise, later than the priority date of the present application. It is submitted, therefore, these published WIPO patent documents are not available as prior art, according to U.S. Practice.)

In accordance with the rule changes governing IDS procedures, copies of all listed U.S. patent and U.S. Patent Application Publications are not being submitted

herewith. However, as a courtesy to the Examiner, the front pages of all of the listed U.S. Patents and U.S. Patent Application Publications are being submitted herewith.

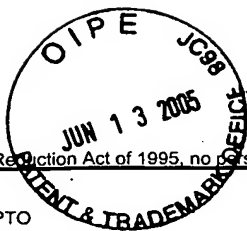

It is submitted this IDS is in compliance with the rules of practice as well as with USPTO guidelines. Therefore, applicants respectfully request that it be entered and duly considered by the USPTO. Also, acknowledgement of such entry as well as of formal consideration thereof by the Examiner is respectfully requested.

If any costs are due in accordance with the filing of this Information Disclosure Statement, please charge the same to the account of Antonelli, Terry, Stout & Kraus, LLP, Account No. 01-2135 (501.42645VX1).

Respectfully submitted,
